About This Beef

This Angus Beef was Organically Raised and lived his whole life on our farm. He was well cared for and loved. He was healthy his entire life and never sick. This beef received no vaccinations. He was 95% grass-fed on organically raised pasture and supplemented with organically grown hay. No glyphosates, herbicides, or pesticides. This beef was supplemented with high quality, locally produced Non-GMO grain and comprised approximately 5% of his diet. Never fed byproducts. No hormones. No antibiotics.

Processed by Hunter meats in Hillsboro, Ohio and Inspected by the Ohio Department of Agriculture. Each package is stamped with "Inspected and Passed by the Ohio Department of Agriculture". The meat is packaged in white butcher paper. Lucas Organic Farms is Beef Quality Assurance (BQA) Certified.

Pasture Raised Eggs (Non-GMO) – See & Taste The Difference!
